Step 1 Completed ✓

Mount all devices in right places as specified on the Floor Plan and add cabling.

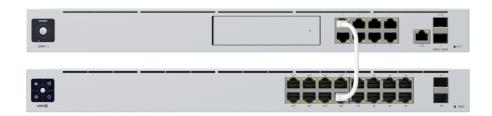

Step 2 Completed ✓

Turn Dream Machine (UDM Pro) on and connect it to the internet. Then, finish setting it up in either the UniFi Network mobile app, or the web application at **unifi.ui.com**.

Step 3 Completed ☑

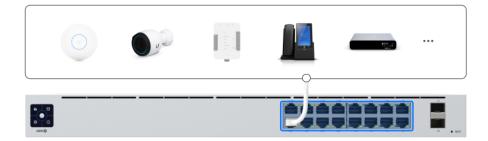

Connect your console and switch with a network cable, as shown below. You can verify this connection on the following **Port View** page.

Installation Instructions

Step 4 Completed ✓

Connect your other UniFi devices to the switch with network cables, as shown below. You can verify all connections on the following **Port View** page.
